

Invitation to Advancing migraine care 2026 webinars

Dear colleague,

We are pleased to formally invite you to participate in the **Advancing Migraine Care webinar sessions**, taking place on **18 and 25 May 2026**.

This scientific webinar has been designed to offer a varied and engaging programme with opportunities for interactive discussion. Drawing on the latest clinical evidence and guidelines, the sessions will provide a deep dive into key topics such as **The Hidden Burden: Migraine and Psychiatric Comorbidities and Migraine Management Across Female Life Stages**.

The webinars will also provide opportunities to share learnings and exchange ideas with colleagues from across Europe.
